Student Declaration

I, **NDATIMANA Christine**, registration number **25/27201**, declare that the mobile application **NCPortfolio** submitted for SWE 3409 - Mobile Application Development is my individual assignment work.

I confirm that the submitted application is personalized with my identity and that the portfolio content represents the information prepared for this assignment. I understand that I am responsible for the accuracy of the submitted source code, documentation and demonstration evidence.

AI-assisted tools were used for guidance, debugging, configuration review, documentation drafting and troubleshooting. Their use is disclosed in evidence/AI_USE.md. AI assistance did not replace my responsibility to test the application and verify the final submission.

The final standalone Android APK **application-7e1575f2-4075-453a-80c0-8a0682fc6cf6.apk** was installed on a physical Android device and tested without Expo Go. The required functional, persistence, media, navigation and Airplane Mode checks were reported as passed.
